

## *2019 ADVOCACY CALL-TO ACTION Re-Building Our State Based Advocacy Coalition*

**Saturday, March 2, 2019**

**8:30 AM – 2:30 PM**

**Crowne Plaza Chicago SW - Burr Ridge  
300 S. Frontage Road  
Burr Ridge, IL 60527**

For four years now, Illinois has been at a stalemate in the state legislature. The discourse between the Governor and the Senate and House has significantly impacted the quality of healthcare in Illinois.

The results of the recent election bring many new faces to Springfield – including a Governor and more than 100 newly elected Senators and Representatives. It is now our priority to prepare our Advocacy Objectives and train members of the Bleeding Disorders Community to begin building relationships with these policy makers.

Join us on March 2, 2019 as we begin the process. You will have the opportunity to learn from a team of experts how you can effectively be an ambassador for yourself and other families facing challenging health care issues in our community.
